

Chichester Music Centre Summer Concerts

On Saturday 6th July, St Paul's Church was brought to life by over 130 musicians for Chichester Music Centre's Summer Concerts. With full audiences for both concerts, musicians from as young as 5 years old took to the stage to give performances with their ensembles, ranging from the Youth Percussion Ensemble playing 'Samba...lla Turca' to the Elementary String Orchestra serenading the audience with the traditional 'Skye Boat Song'. Every Saturday Chichester Music Centre opens its doors

to over 150 young musicians, offering them weekly instrumental lessons, theory classes and ensemble rehearsals on a diverse range of instruments, as well as performance opportunities throughout the year.
